

# RECOUP TRAINING INVESTMENT

Make sure the skills acquired during such programs are not forgotten. Prove that your training decisions are a profitable investment for your company. Spot the weaknesses of your employees and correct them swiftly. Our Coaching Platform will provide you with all the above and more.

## Tailor-Made Program

- Agree on the most relevant competencies of a development program
  - Devise a questionnaire to assess the above
  - Give the company access to the Platform (yearly license)
  - Select managers who will become coaches
  - Train managers/coaches on using the platform
  - Coaches monitor the progression of the employees assessed
  - We monitor the performance of the coaches
  - Hand over the process to the company and give recommendations
  - Repeat the process for any new development program (provided by us or others)
-
